Sir,

Re the appointment of a qualified lineman to look after the lighting arrangements in Devaraja Market

I have the honour to state that the lighting arrangements in Devaraja Market are at present being looked after by a lineman on Rs 15/= P M The present incumbent is not a qualified person but is looking after this work by experience There is frequent failure of current and unless this is set right immediately, the shopkeepers will be put to much loss For attending to this promptly, a qualified person is necessary to look after the lighting of Devaraja Market and also other markets and Municipal Office

The Superintendent, Power, and Light, Mysore who was consulted in this matter, intimates that the work requires the services of a qualified Electrician who has to be given a grade pay of Rs 35-2-45

The subject was placed before the Council, at their meeting held on 31-10-1947 and they have approved of the proposal copy of the resolution is enclosed for ready reference

I, therefore request that sanction of Government may kindly be obtained for appointing a qualified technician as lineman on Rs 35-2-45 and making the post a permanent one in lieu of the post on Rs 15/= The present hand will be absorbed elsewhere

Necessary provision for the above will be made under Establishment charges during the current year

I have the honour to be,
Sir,
Your most obedient servant

Sir,

Re The appointment of a qualified lineman to look after the lighting arrangemet in Devaraja Market

I have the honour to invite kind reference to this office letter of even number dated 17-11-47, in the matter of the appointment of a qualified lineman to Devaraja Market The present lineman is unqualified and there are a number of complaints from the lessees of shops in the market that they are put to much inconvenience on account of the defects in the market lighting not being promptly attended to

It was therefore found very necessary to appoint a qualified electrician immediately in the interest of shop owners as well as the Municipal finances Therefore in anticipation of kind sanction of Government, I have appointed a qualified electrician in consultation with the Superintendent, Power and Lighting, Mysore

I, therefore, request that sanction of Government may kindly be obtained to the resolution of the Municipal Council and to the appoin-ment of the official from 1-12-47, very early

I have the honour to be,
Sir,
